## Here's what we learned today.

Jude wrote a letter to Christians. He urged believers to stand up for what is true and to build themselves up in the faith. Jude told the believers to show mercy to those who doubt, to lead others to Jesus, and to hate sin.

“Now praise God!” Jude wrote. Because of Jesus we will be able to stand before God blameless and with great joy!

LET'S  
TALK

## Get your kids talking!

How can we know what is true?

## Take it deeper.

What does it mean to stand up for what is true?

How can we stand up for what is true while still loving those who disagree with us?

FOR  
FUN

## Have some family fun this week!

Invite family members to play a memory game. Show a group of objects for several seconds then cover them with a box or towel. Call on someone to recall the objects he or she saw. Let others call out the names of objects if he has trouble remembering. Play multiple rounds, allowing family members to gather objects to show the others.

SAY • We try hard to remember the things that are important to us. In your Bible lesson from Jude you learned about the importance of remembering God's truth. Where do you find God's truth? .

PRAY

God, thank You for giving us Your Word to help us know what is true. Help us to defend our faith and only believe things that are true. Help us have wisdom and discernment against evil in this world.
