COVID – 19 Protocol

Go Team COVID – 19 Protocol

PPM will reevaluate and anticipate gradually decreasing these precautions throughout 2021 and into 2022. Below are the current precautions all participants and PPM staff will adhere to:

- A Trip Risk Agreement Required for Every Participant
- 10-Day Health Log leading up to the trip.
- Negative COVID-19 test within 5 days of departure for trip (Requested and recommended for all domestic participants.)
- Masks are required to be worn at all times except when eating, drinking, sleeping, showering, or outside while maintaining 6 feet of distance (Teams must provide). This includes while traveling, doing ministry, nightly meetings, etc.

Go Team COVID – 19 Protocol

- Temperature screening twice daily.
(PPM will supply a non-contact thermometer)
- Sanitization of lodging, transportation, and ministry sites.
- Food Service/Non-Latex gloves required in any food service ministry and team meal prep.
- Allow 6 feet of distance between beds.
- Hand washing stations available at all ministry sites.
- Hand sanitizer available at all times, supplied by both PPM and team.
- Social distancing required with any community member.

Go Team COVID – 19 Protocol

Quarantine Contingency Plan

- Prior to the Trip
- During the Trip
- If a Quarantine is Necessary
