Music and Lincoln With John Boda

5:30 FELLOWSHIP | 6PM DINNER | 7PM PROGRAM

John Boda, lecturer and guitarist, returns to Wheaton Bible Church with a rich program that promises to both entertain and intellectually stimulate. We will

enjoy a variety of songs, as well as a captivating presentation on President Lincoln, in honor of his birthday. The complete story of the twists and turns surrounding

Lincoln's assassination (as it is known), will also be presented.

With a performing career that spans over thirty years, John is known for his upbeat style, soothing voice, and masterful guitar playing. John is at home in the church, growing up as the son of a pastor, and later serving as an associate pastor.

A favorite around the holidays, Boda also plays guitar at the annual "Let It Be Christmas" event at Community Christian Church (Yellow Box) in Naperville. He uses the music of the Beatles to tell the story of Jesus' birth in this family-oriented production. ■

Tickets are available for \$10 through some Adult Classes, at the Welcome Desk, or by calling Joan/Melissa at 630.260.1600. Tickets must be purchased by Monday, February 10. Price covers the cost of the meal and program.
